Choice Payride Students who attend a non-designated school and reside less than 2.4 km from either their designated or non-designated school.	\$300.00/Student \$600.00/Family
Per student fee to access an additional bus to/from an alternate address. (*Note: fee not eligible for family rate discount).	\$200.00

Student Transportation Refund Statement

Refunds will not be issued for cancellations or changes in circumstances after September 30 with the exception of:

Students who leave the Division prior to the end of the school year shall be refunded a prorated portion of their transportation fee.

Students who move outside 2.4 km shall be refunded a prorated portion of their transportation fee.

***Refunds will only be processed after the bus pass has been returned to the Student Transportation office. An administrative fee will apply to all refunds.**

Refund Process

For Transportation Fees, refunds and credits on accounts will be applied in the following order:

- Payment of outstanding fees
- Left on account for future fees
- Transferred to sibling fees, on request
- Refunded to payor

*Together we will ensure learning success for all students
to develop their unique potential as caring citizens in a changing world.*
