

Palliser School Division, in the pursuit of excellence in providing educational services, believes success in reaching its vision will be evident through the accomplishments, character and behavior of its students. Success is achieved when students:

- 10.1. Value learning and take responsibility for their learning, decisions and actions.
- 10.2. Proudly and confidently strive to achieve their personal best.
- 10.3. Conduct themselves in a way that contributes to a safe, orderly, positive school climate and ensures the rights of others.
- 10.4. Contribute to the well-being and success of their community.
- 10.5. Recognize themselves as partners, along with parents and teachers, in their own vision of educational excellence.
- 10.6. Become good citizens and contribute to the well-being and on-going success of their community.

### **Scope and Limitations of Superintendent:**

Board and Superintendent are to be guided by the direction put forward in the Strategic Plan. This policy needs to be updated in a timely manner and reviewed on a regular basis particularly following each election cycle. The Board has included the present Strategic Plan in the new format and recognizes the Plan must be updated in near future.
