

Dear Palliser Families,

The Alberta Government has just announced that all classes are cancelled for K-12 students across the province indefinitely. This means there will be no classes in any Palliser schools.

**Please do not send your children to school.**

We are uncertain when classes will resume. Over the next few days, school staff will be developing plans and procedures on how to continue to offer education to your children. We will provide further communication and information in the coming days.

We thank you for your patience and support during this unprecedented time.
