

Dear Palliser Families:

We wanted to thank you for your support and patience as we navigate the significant changes the COVID-19 pandemic has created. For schools currently on spring break, **in-school classes remain cancelled**. However, online or print-based distance education will resume on April 6, when our staff are back to work. For schools that are not currently on spring break, **in-school classes remain cancelled**. However, online or print-based distance education should have resumed this past week. If that has not happened, please contact your school directly.

At this time, it is our intention to return to normal communication processes where individual schools are the primary source of information for parents. As such, we have asked schools to make sure they are keeping their school communities informed moving forward. Having said that, if there are major new developments, the school division will assist with parental communication if appropriate.

As always, we are grateful to serve our school communities and we want to assure you we are committed to providing each student with the best educational experience possible in this new reality.
